## VAN DER MEER SUMMER CIRCUIT TRAINING PROGRAM SWEET BRIAR COLLEGE

For the past 25 years, Sweet Briar College, VA has been the training site for VDM Summer Circuit Training Program. It's the tournament training program of choice for talented players who have achieved sectional, national, international or collegiate rankings. Participants are selected by application in advance, using the criteria of ranking and recent results. Each week, a limited number of additional players will be selected based on match results, demonstrated work ethic, and positive attitude.

This specialized program was developed by Dennis and Pat Van der Meer and a team of experts in the sport sciences to incorporate the following areas of instruction:

- Footwork and agility
- Mental toughness
- Tactics and strategy
- Stroke production – video analysis
- Conditioning and injury prevention
- Schedule planning and career counseling (*including college advice*)
- Daily supervised match play – there's no substitute for match toughness

A junior tournament is held on campus each year, with age categories from 12—18. The 2011 dates are July 8–10. A team of players travel to several ITA tournaments in July from Sweet Briar at a fee of approximately \$400 per event, which includes transportation, coaching, and hotel costs (*entries and food costs are additional*). Top players aged 15—20 are considered first. The dates for the two ITA tournaments are as follows:

- UNC – Chapel Hill      July 22—25
- UNC – Greensboro      July 30—August 1

Note: must be an ITA member to register for these tournaments.

To apply to this amazing program, please complete and submit the enclosed application.

Note: You must be signed up for a minimum of 2 camp weeks in order to apply.
